

SUMMER IN THE CITY

MUSIC & MORE

ABOUT THE SERIES

June 6th – August 29th, experience the best of a New England summer with sun-drenched days, waterfront views and breezy nights. Enjoy glistening views of the Atlantic Ocean while listening to live entertainment and enjoying al fresco dining at the 25th annual Summer in the City Entertainment Series. Join us at the Harborwalk Terrace and Rowes Wharf Sea Grille as the temperatures rise for one of Boston’s most anticipated summer traditions.

Tuesdays through Fridays, the harbor comes alive with different bands performing on the hotel’s floating barge stage. Bostonians and visitors can look forward to reimagined music programming including Blues, Soul, Country, Rat Pack, Pop, R&B, and more. Cool breezes, passing yachts, and Chef David Daniels award-winning cuisine all paint a lively summer scene not to be missed.
